Now Clients can book appointments online with VETport

Integrate
STEP 01

Visit Vetport Marketplace. Purchase & Integrate Online Booking app with your account.

Embed the Calendar
STEP 02

After integration, a link will be generated for online booking. Embed the link on your clinic website or Share the link with customers.

Select Vet
STEP 03

Customers can open the link & select the Clinic & Provider with whom they want to fix the appointment

Fix Appointment
STEP 04

Customers need to select the date & time. Then hit the confirm button.

All Set
STEP 05

Done! The appointment will reflect in the calender of the provider.
